

Exhaust Notes

The Official Publication of the
Nebraska Region Sports Car Club of America
 July 2009 Issue

Note From The Editor

Sara L. Mitchell, Editor

Hey, look at me! I made the front page! I want to thank my friends and family and all of those who made this possible...oh, wait, really only one person made this possible...Mark Walker. I owe all my front page glory to our very own RE for not turning in his article!

Many thanks go out to all of you who have submitted articles and pictures! Of course we all want to see results and points, but it is the voices and faces of you the members that truly makes this publication interesting and worth opening every month! Keep 'em coming! In this vein, I am interested in having a "letter to the editor" column appearing in each issue; so if you have a comment or question about the newsletter, the events or about NRSCCA itself, I want to hear from you! If I don't know the answer to your question I will find out the answer and publish it as quickly as I am able!

Submissions may be made to editor@nrsc.ca.com or by mail at:
 Sara L. Mitchell
 PO Box 27053
 Omaha, NE 68127

Again, the deadline for submissions is the 26th of each month!

Since I'm not highly involved with the events, I decided to go to the website forums in hopes of finding material worthy of printing in this gloriously long front page article. What I found first was simply an example of one reason why I love this car club! In a discussion regarding the June 28 Solo event at MAM, it seemed that those people who did find fault in the process followed their comments much the same as Mike White, who said, "So, instead of continuing to complain, I'm volunteering to help in the morning at the next event and upcoming ones." This is exactly the attitude that keeps us going and I couldn't help feeling proud to be a part of it!! Of course there were also many positive comments and it seems this event was an absolute success as

many people raved about the site and crew and seemed to have had a most excellent time!

Now, to take up the remainder of my space I would like to share with you a delightful picture, sent to me by Patt Buel, showing us all what Jean Smith would look like as a hot dog! I have always wondered about this and am sure it will cure sleepless nights for many of us.

Wishing you whole health and happiness,
 Sara

Our Trip to the Motor City

By Jean Smith

Chuck and I just returned from a trip to Detroit Michigan, which was quite the automotive experience. We stayed in Dearborn, Michigan, which is definitely "Ford Country". We spent two days touring The Henry Ford, which is the Ford Rouge Factory Tour, The Henry Ford Museum, and Greenfield Village. The Rouge Tour is of the Dearborn Truck Factory and shows the assembly line in action. At the Henry Ford Museum, there was a large variety, including Presidential vehicles, classic cars, locomotives, bikes, buses, farm machinery and other historical highlights. There was a display of cars owned by famous rock stars such as Ricky Nelson, Elvis, Kid Rock, ZZ Top, and Sheryl Crow to name a few. Greenfield Village was also full of history. That weekend was the Motor Muster Car Show displaying probably 500 cars ranging from the early 1900's to late 1970's. It sits on several acres and a steam locomotive took us around the whole village. River Days was also going on in Detroit, which is a huge festival on the riverfront. The General Motors headquarters is right there close to the riverfront. Needless to say, we had a great time!

The Rebel's Car Club Show

By Jean Smith

On May 9th, fellow NRSCCA member Tony Koester and his students put on the 2nd annual Rebel's Car Club Show in the parking lot of Lincoln Northeast High School where Tony teaches auto shop. There were 108 cars entered. The classes were both stock and modified, ranging as early as a 1908 Reo up to the 2000's. Shown again this year was the 1921 Model T the students restored last year. Tony also showed the Model T that he bought (see picture). I entered my 1997 Ford Mustang GT. Fellow NRSCCA members Chuck Garcia and Scott Embury came out to support the show.

The weather was great this year and there was food and lots of nostalgia music. Tony was interviewed by Channel 11, KOLN-KGIN, a local Lincoln TV station (See Picture). He was also interviewed by Rod and Custom Magazine about the speedster his students are currently working on. All proceeds from the show entry fees went to Skills USA Vocational Skills Club and to buy specialty tools for the auto shop. Congratulations Tony on another successful show. Will look forward to coming again next year.

New Loaner Helmets

After advising the board of how bad our loaner helmets have become, the board agreed to purchase 10 new helmets. We thought this might be a great opportunity for everyone else as well. The helmets we are ordering for the new loaner helmets are HJC CL-31 Solid in white. They are Snell M2005 rated helmets.

We are opening up the orders to include anyone if they would like to get in on this deal. The MSRP on the basic white or black helmets are \$94.99 but we are able to get them for \$79.99 + 7% tax (\$5.60) or \$85.59. This helmet is available in metallic colors silver, wine, candy red, or pearl white for an MSRP of \$99.99 discounted to \$84.99 + 7% tax (\$5.95) or \$90.94. We need payment in the office by July 25th and it will take about 7 days for delivery. I will contact each person directly to arrange drop off of the helmets. Any questions please contact me at the number listed below.

Solo Nationals Newsletter - June Edition

- Event Location: Lincoln Airpark, Lincoln NE (NW 36th & W. Mathis Rd , 68524)
- Event Dates: September 8-11
- Clarification #1 to the May Newsletter: The minimum cost to all participants is \$135. An additional \$180 is required of anyone that has not attended a 2009 National Tour or Divisional event.
- Clarification # 2 to the May Newsletter: The Overnight Parking/Camping fee is only for anyone wishing to remain (sleep) on site. Traditional Paddock Parking is free.
- The National Test N Tune (NTNT) has a new look for 2009 with some of the best of 2008 thrown in for good measure. Registration will open on Wednesday, June 17th.
 1. The NTNT has a dedicated course area and will be open for six (6) days.
 2. The test course designer is Karen Babb, Northwest region.
 3. Test times will be sold in one (1) hour increments at a cost of \$35 each hour.
 4. Members are limited to three (3) runs/hour.
 5. A fourth run may be purchased for a \$10 donation to the Marines Toys for Tots Program or with the donation of a new, unwrapped toy.
 6. Competitors may purchase more than 1 time block but may NOT purchase more than 1 block within the same hour. Competitors are advised that all NTNT fees are NON REFUNDABLE & NON TRANSFERABLE.
 7. Test times are:

Friday, Sept. 4	1pm to 5pm
Saturday, Sept. 5	9am to Noon
	2pm to 5pm
Sunday, Sept. 6	9am to Noon
	2pm to 5pm

Pre – registration for these time frames is available on the SCCA Solo National Championships webpage or by logging in to www.scca.com.

Monday, Sept. 7	9am to Noon
	2pm to 5pm
Tuesday, Sept. 8	9am to Noon
	2pm to 5pm
Wednesday, Sept. 9	9am to Noon
	2pm to 5pm

Registration for the Monday-Wednesday times is on a first come basis. Register on site at the Test N Tune course area. The cost remains \$35/hour for three runs. Again, a fourth run may be purchased for a \$10 donation to the Marines Toys for Tots program or with the donation of a new, unwrapped toy.

8. Great news! No mandatory work assignments for anyone participating in the NTNT. The Nebraska region will be using a portion of the entry fee to pay workers during the NTNT. Anyone that would like to work the test event and receive payment for their time may contact Mark Walker, Nebraska Region, to discuss the arrangements.

9. As stated in the National Championships Supplemental Regulations E.1 – this is a single tech event. Tech will open on Friday Noon and close at 7pm.

All vehicles must pass the event safety inspection (Tech) prior to any on-course participation. The inspection will be valid for all three (3) events – Test 'N' Tune, ProSolo Finale, and Solo Nationals. Inspection procedures are designed to recognize potential safety concerns that may affect the operation of our event and your Nationals experience. Tech will be at the event site.
